Foam Wash 1l Pod

RapidClean Foam Wash is a pH controlled, pleasantly fragranced, rich foaming washroom hand cleanser. Its gentle cleaning action will remove most household soils including dirt, mud, dust and kitchen residues.

RapidClean Foam Wash contains no solvents and no soap and is based on low irritant, biodegradable surfactants providing a high degree of skin compatibility. RapidClean Foam Wash contains moisturiser and gentle emollients so skin will not dry out like it can with some hand cleansers.

RapidClean Foam Wash is dispensed via attractive wall mounted dispensers for ease of use.

DIRECTIONS FOR USE:

Apply 1 to 2 Pumps of product onto hands. Massage into the skin between fingers and under the nails. Add little water if required to maintain a good lather. Rinse off with cold or warm potable water and dry.

COMPOSITION:

Aqua, sodium C14-16 olefin sulfonate, cocamidopropyl betaine, aloe barbadensis leaf, methyl gluceth-20, parfum, propylene glycol, diazolidinyl urea, iodopropynyl butylcarbamate, CI Acid Red 18.

APPEARANCE:

Clear dark pink liquid, pleasant fragrance.

BIODEGRADABILITY:

The surfactants used in RapidClean Foam Wash pass the biodegradability test as set out in AS1792-1976 and are classified as biologically soft.

SUITABILITY OF CHEMICAL FOR FOOD PREPARATION AREAS

When used as directed Foam Wash is suitable for use in kitchens and food preparation areas.

For safety and materials handling information, refer to the Material Safety Data Sheet for this product.

The information herein is, to the best of our knowledge, correct and complete and should not be construed as guaranteeing specific properties. No warranty express or implied is made as to its accuracy, reliability or completeness.
