Product Description: Designed exclusively to suit the Jaws Autocut Dispenser, The RapidClean 200m Hand Towel is a market leader in both performance and innovation. Through single, flat-sheet dispensing, the RapidClean 200m hand towel is able to reduce paper costs by over 30% and eliminate cross contamination (as the paper you touch is the paper you use). By providing more wipes per roll, and a higher quality hand towel, fewer roll changes and less maintenance is required. This product is ideal for all high-traffic areas.
